

## Instructions for laser safety awareness course

### 1. Persons starting over the year (*not* beginning of October)

**Safety Services course ID: LBAW02**

**MyPlace ID: SS04 Radiation: Laser safety**

1. Send an email that you need laser safety training and that you are going to enrol to the dept. laser safety officer, [thorsten.ackemann@strath.ac.uk](mailto:thorsten.ackemann@strath.ac.uk).
2. Go to <http://bookings.strath.ac.uk/courseDetails.asp?course=LBAW>
3. At the bottom of the page there is a link to the course, which brings you to myplace.
4. You will need to log in with your ds account.
5. Go through the course material organized in 9 subsections. You don't need to do it in one go but can return later.
6. Fill in the assessment in part 10.
7. The dept. will get then confirmation of your scores (monthly updates) and unless there are issues to discuss, you are done.

Should you have any problems with access to the course or any questions, please e-mail: [radiation.protection@strath.ac.uk](mailto:radiation.protection@strath.ac.uk) or [safety.training@strath.ac.uk](mailto:safety.training@strath.ac.uk).

If you don't have a Strathclyde ds account, please contact the dept. Laser safety officer at [Thorsten.ackemann@strath.ac.uk](mailto:Thorsten.ackemann@strath.ac.uk).

### 2. Persons starting with the main intake of postgraduate students and undergraduate project students at the beginning of October

The training is delivered as a lecture by the dept. laser safety officer. Booking is via

<http://bookings.strath.ac.uk/courseDetails.asp?course=PHLA>

After the course, do the online assessment as described in section 1.
