

# Higgs Symposium

12 plenary lectures on the discovery of the Higgs boson and its impact on physics

9-11 January 2013

Informatics Forum, 10 Crichton Street, The University of Edinburgh

## Speakers

John Ellis, Mikhail Shaposhnikov, Nima Arkani-Hamed, Michael Atiyah, Subir Sachdev, Peter Higgs, Chris Llewellyn Smith, Howie Haber, Joe Incandela, Eilam Gross, Riccardo Rattazzi, David Kosower, Matt Strassler

## Registration

Register at: <http://bit.ly/W9rMdq>

Deadline: November 30th 2012

Conference website: <http://higgs.ph.ed.ac.uk/workshops/higgs-symposium>

A £75 fee, to be paid upon registration, will cover coffee breaks, lunches on the three days (Wednesday through Friday), a reception on Wednesday evening and a conference dinner on the Thursday.

Some accommodation has been pre-booked for January 8, 9 and 10. If you would like to use this accommodation, please indicate so in the registration procedure and we will contact you by email.

## Student attendees

The Institute for Particle Physics Phenomenology provides funds to reimburse the £75 fee for UK-based students, on a first come, first served basis. The Higgs Centre will cover the accommodation costs for a limited number of PhD students.

**All enquiries: Lyndsey Miller, [admin-general@ph.ed.ac.uk](mailto:admin-general@ph.ed.ac.uk)**

The Higgs Symposium is organised by the Higgs Centre, and co-sponsored by the IPPP.  
Organisers: Richard Ball, Luigi Del Debbio, Einan Gardi, Richard Kenway, Christos Leonidopoulos
