

Scottish Dementia Research Consortium

Membership Application Form

The Scottish Dementia Research Consortium is a membership based organisation which aims to support the development and expansion of high quality, co-ordinated, collaborative dementia research throughout Scotland.

Name:

Title:

Organisation:

Telephone Number:

Email Address:

Postal Address:

The Consortium is compiling a database of current research activity and areas of research interest that will be accessible to all members of the Consortium. We would be grateful if you could describe the relevant areas of your research and your interests below: (100 words maximum)

.....
.....
.....
.....
.....
.....
.....
.....

Please tick this box if you are not directly involved with research, e.g. a person with dementia, a carer and/or a family member of someone who has dementia

Funded by

Alzheimer Scotland
Action on Dementia

DECLARATION: By submitting this application form you are agreeing to adhere to the governance arrangements outlined in the 'Scottish Dementia Research Consortium – Background and Governance Arrangements' paper. Details on this form will be disclosed to other Scottish Dementia Research Consortium members, as and when applicable, in the interest of creating new partnerships, coordinating research activities and/or nurturing research ideas.

Please return completed forms to **SDRC@alzscot.org** and/or via post to:
Alzheimer Scotland, FAO: Kirsty Wilson, 81 Oxford Street, Glasgow, G5 9EP
