## Report: University Annual Progress Report (01/01/1970)

- [Part 1A](#)
- [Part 1B](#)
- [Part 2](#)

### Student

Have you been in regular contact with your Supervisor during the review period

- select - ▼

If yes, please provide meeting date details; If no, please explain the reason for this

Have you had a face-to-face meeting with your Supervisor during the review period?

- select - ▼

If no, please explain the reason for this

Have you read the University's Regulations for postgraduate research degrees and the Policy and Code of Practice for Postgraduate Research Programmes?

- select - ▼

Does your research require ethical approval?

- select - ▼

If yes, has ethical approval been sought and awarded?

- select - ▼

Have you reviewed risk assessments (e.g. those relating to health and safety) within the review period?

- select - ▼

### Research Progress

Please give a summary of:

- your progress of work to date
- achievements during review period
- any change to your main research aims and methods since your last report

**Documents submitted for the purposes of this review?**

Please list all research outputs (submitted, pending and published) during the review period (e.g. publications, draft chapter of thesis, conference presentations) and make clear which have been submitted for this review.

**Supervision**

Please give an indication of the frequency and usefulness of meetings with your supervisor

**Factors Adversely Affecting Research Progress**

Please outline any factors and/or issues which you believe have adversely affected your research progress (e.g. facilities, resources, any personal or financial circumstances, the frequency and usefulness of meetings with your supervisor.) Please state how you think these could be resolved.

**Future Plans**

Please outline your research plans for the next six months, including specific tasks which you hope to complete. Please indicate when you expect your thesis to be submitted.

**General Comments**

Please use the space below to add any further comments about your research progress and supervision

**Activities since last review**

Presentation/ Research Seminars

- ☐ attended external seminars
- ☐ presented at departmental seminars
- ☐ presented at PGR conference
- ☐ presented at department/ faculty PGR conference/ away day
- ☐ presented at funded conference

details

- ☐ participated in researcher skills development training
- ☐ are there any training and development opportunities not currently provided by the RDP that you would find useful

details

### International experience

Please indicate the international experience(s) you have had since your last review:

- ☐ Attended international conference(s)
- ☐ Visited a higher education institution out-with the UK to exchange knowledge, undertake research or present a paper
- ☐ Undertook an international industrial placement
- ☐ Interacted with an international mentor/ advisor
- ☐ Received a visit from a leading international academic in your field of research to the University, with a collaborative outcome
- ☐ Developed personal international network(s) relevant to your discipline area
- ☐ Other

Please provide details (date, duration, reason, activities) of your international experience(s):

### External Engagements

Please indicate the external engagements you have been active in since your last review

- ☐ Undertook internship or placement
- ☐ Undertook knowledge exchange activity
- ☐ Collaborated with an external organisation, including the public, private and voluntary sectors
- ☐ Participated in Strathclyde's Solutions Exchange
- ☐ Participated in a faculty/ departmental knowledge exchange event
- ☐ Involved in University Research Day's Organising Committee
- ☐ Engaged in outreach and/ or public engagement activity(s) (e.g. Involvement in 'Engage with Strathclyde' i.e. University Knowledge Exchange Week)
- ☐ Other

details

### Research Progress

Please comment on the research progress of the student and indicate any major achievements or problems which have arisen.

### Supervision

Please comment on the student's engagement with supervision, including attendance at meetings, attendance in the Department, and submission of written work.

**Writing-up students only**

Please indicate progress on production of the thesis

- ☐ Initial draft
- ☐ Substantial part (at least two-thirds) drafted
- ☐ Thesis complete/ almost complete

When do you estimate that the thesis will be submitted? (month/year)

If you do not regard successful completion as likely on the basis of current progress, please give reason and what action is proposed.

**Student sign-off**

I confirm I have reviewed the outcomes and feedback of this report and the preceding Assessors report
