

Degrees on offer:

MPhys

BSc (Hons) Physics

BSc (Hons) Physics with Teaching (Joint with School of Education)

BSc (Hons) Mathematics and Physics (Send Maths and Stats for detailed information)

Entry Requirements

1st year

MPhys: AAAB including Higher Physics and Mathematics at Higher B

BSc Phys: AAB including Higher Physics and Mathematics at Higher B

BSc Phys with Teaching: AAB including Higher Physics and Mathematics at B and Higher English at C

BSc Mathematics and Statistics: AAB including Higher Mathematics at A, Higher Physics at B

2nd year

All degrees

MPhys, BSc Phys, BSc Phys with Teaching:

Either Advanced Higher Physics and Mathematics at AB and two other Higher subjects at AB

or Advanced Highers AAB plus another Higher at B. For Physics with Teaching also require Higher English at C

BSc Mathematics and Statistics: AAB including Advanced Higher Mathematics and Physics.

Note

- 1) if anyone has a grade D or worse in Physics or Mathematics they will not be made an offer.
- 2) The Department operates a gathered field approach – whereby all conditional offers are considered and released at the same time.
- 3) Deadline for “on-time” applications to be submitted to UCAS is 15th January 2014.
- 4) Process is competitive and target driven. We hit our target (87 SFC funded places).
- 5) Encourage enquirers to think about 2nd year entry.
