DAAD – ONE YEAR GRANT FOR DOCTORAL STUDENTS

- Funding for a research project at a state-run or state-recognised university or non-university research institute in Germany
- 7 – 12 months of funding
- Usually aimed at excellently-qualified doctoral candidates / PhD students
- Grant includes a monthly payment, insurance, travel allowance, and a one-off research allowance, as well as potential other subsidies depending on circumstances
- **Deadline:** December for a funding start in October of the next year

DAAD – ONE YEAR GRANTS FOR BI-NATIONALLY SUPERVISED DEGREES (OR COTUTELLE)

Funding of bi-national doctoral projects at the home university and at a university in Germany

- “Sandwich Model”: The doctoral project is supervised both by a university teacher at the home university and an academic adviser at the host institute in Germany; the project must be coordinated with both supervisors. Doctoral candidates start their doctoral degree in their home country but subsequently spend research periods in Germany. The doctorate is completed in the home country with participation of the German academic adviser; the doctoral degree is awarded by the home university.
- Cotutelle option: similar, but the doctoral degree will be awarded by both institutions (UK/Ireland and Germany) and a formal contract between the universities exists.
- Maximum of 24 months of funding
