

The logo consists of a central point from which several colored lines radiate outwards, resembling a stylized sunburst or particle tracks. The colors include white, yellow, orange, and blue.

Particle Accelerators and Beams Conference 2024

11–12 June 2024 | Cumbria

The IOP Particle Accelerators and Beams Group invite the community to the UK's national Particle Accelerators and Beams Conference (PAB 2024), hosted by the Dalton Cumbrian Facility at the **Washington Central Hotel** in Workington on **June 11th and 12th 2024**.

- The scientific programme will feature internationally high-profile keynote talks, a panel discussion, plenary and parallel sessions and a poster session.
- In the evening of the first day there will be a reception and Conference Dinner where the Group and Poster Prizes will be awarded.
- Participants can take the opportunity to tour the Dalton Cumbrian Facility on the afternoon of the second day.

We welcome participants at all career stages to attend and we strongly encourage colleagues to submit an abstract for a poster or oral presentation.

This promises to be a very special event and we hope that you will join us for this exciting UK conference!

Further details are available at the conference website: <https://indico.cern.ch/e/PAB2024>
