

Can you open the door to understanding Physics?

# The Early Career Physics Communicator Award

*Recognising excellence in physics communication*

**Eligibility**

You do not need to be a member of the IOP, but you should be one of the following:

An undergraduate physicist

A person involved in an appropriate postgraduate study within five years of undergraduate degree qualification

A person working as a physicist in UK or Ireland within the first 5 years of your physics career

**Application**

Submission of a report of your communication activities (1500 words max).

For more info on how to apply follow the "Group Prize" tab at:

<http://www.iop.org/activity/groups/subject/physcom>

**Prize**

The winner will receive £250 and an award certificate.

**Prize Final**

Four finalists will present their work at the prize final on November 26th 2013 at IOP, Portland Place, London, W1B 1NT.

A judging panel will select one finalist as the winner.

**Submission deadline**

7th October 2013
