

The Institute of Physics in Scotland Young Members Group Meeting

Royal Observatory in Edinburgh, Thursday 11th of September

There will be two speakers who will give an overview of their work and career paths. There will also be a tour of the Crawford Collection, which contains a first edition of the greatest astronomical book of the 16th century, Nicolas Copernicus' *De Revolutionibus*.

Programme

18:30 Welcome and tour of the Crawford Collection

19:30 Beth Biller (Chancellor's Fellow, University of Edinburgh)

Direct Imaging Characterisation of Exoplanets and Brown Dwarfs

20:00 Alasdair Gow (Spacecraft Sales Engineer, Clyde Space Ltd)

From Numbers to Nanosatellites

Please note that booking for this event is required and can be done by sending an email to olof.johansson@ed.ac.uk.

The IOPS Young Members group is a forum for early-career members to meet and network on a regular basis in order to develop ideas, collaborations and employment opportunities. We consider early-career members as someone who is within the first 12 years of their career.
