

SCOPE

student community
for optics & photonics
engineering

Who we are

SCOPE

student community
for optics & photonics
engineering

Postgraduate Student section of
OSA, EPS and the Institute of Physics (UK)

- Run by our members, funded by grants of OSA, EPS and IOP
- Open to all OSA, EPS and IOP members
- Founded in 2008
- ~ 20 members in total, mainly PhD students

What we do

Social events !

Our own beer & pizza welcome to the Department

Pub nights

Pint of Science

...

SCOPE

student community
for optics & photonics
engineering

What we do

Outreach

Glasgow Science Festival

Explorathon / Researcher's night

SCOPE

student community
for optics & photonics
engineering

What we do

Company visits & networking

Discovering the industrial environment of the Scottish belt (Thales, Helia, etc)

-> next visit planned for November

SCOPE

student community
for optics & photonics
engineering

Linking with other communities :

OSA chapters

EPS Young Minds

4th EPS Young Minds Leadership Meeting

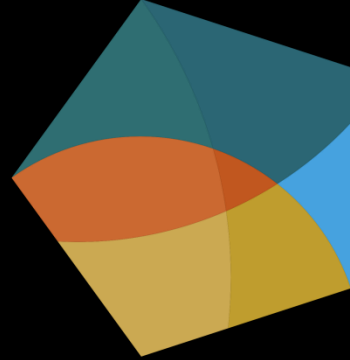

29 - 30 MAY 2015
ICFO - The Institute of Photonic Sciences,
El Castelldefels, Spain

What we do

- ... and **ANY IDEA YOU MAY HAVE !**

SCOPE

student community
for optics & photonics
engineering

Outreach
Public engagement
Science communication

Linking with Strathclyde's
PGR community, in
Physics and beyond

Improving our own
professional skills :
coffee sessions, self-
organized tutorials

Visiting local
companies and/or
laboratories

- Funding is available; we mostly need your help !

How to find us

scope@strath.ac.uk

facebook.com/
Scope.Strathclyde

If you are a member of IOP, EPS or OSA then you can already be a member of SCOPE for free!

**Join us to learn more at our
free beer and pizza event in a couple of weeks
– WATCH YOUR EMAIL 😊**
