

SCOPE

student community
for optics & photonics
engineering

WHO WE ARE

Postgraduate Student section of
OSA, EPS and the Institute of Physics (UK)

- Founded in 2008
- Run by our members, funded by grants of OSA, EPS and IOP
- Open to all OSA, EPS and IOP members

More than 30 members in total, mainly PhD students

What we do: Social

- Beer & pizza night

- Pub Quiz

- Pint of Science

What we do: Outreach

- School displays
- Glasgow Science Festival
- Explorathon

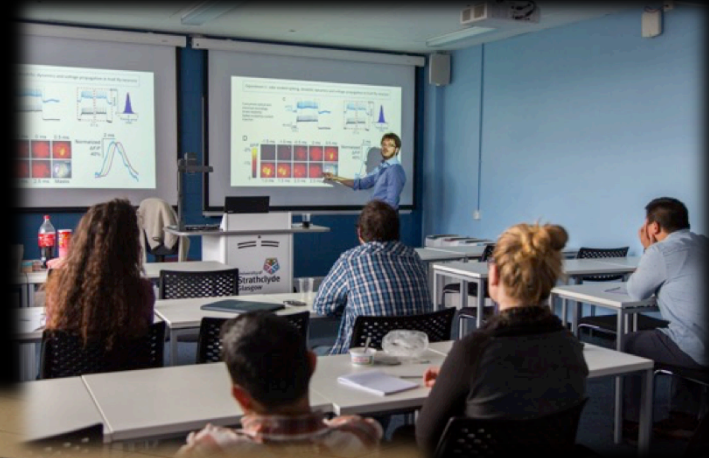

What we do: Networking & professional skill development

- EPS, OSA, IoP meetings & conferences
- Company visits

What we do: Journal Club

- Research paper focussed
- Snacks provided
- Fortnightly

COMING SOON

- **Scope alumni visit**

- ◆ **Career event 25/10**

- **Company visit in November**

What we want to do

- Technical seminars & tutorials
- More social events
- Bigger events open to the general public
- Do you have any more ideas?

Funding is available;
we mostly need your
help !

WANT TO KNOW MORE?

- If you are a member of IOP, EPS or OSA then you can already be a member of SCOPE for free!
- Join us to learn more at our welcome event on the 18th!

BEER & PIZZA NIGHT
