

Are you an autistic student who would like to be informed about support events for autistic students?

Then please sign-up to our **mailing list**: <https://forms.office.com/e/xaZLv9drAm>

We organise events such as

- 'Wee Walks' around campus;
- Careers & Employability Service information sessions and interview workshops;
- Induction sessions to facilities and support services around campus during more quiet times.

This is a student-led initiative which runs with input from the Disability and Wellbeing Service.
At all events there is no pressure to talk or contribute socially, you can just come along and listen.

No matter at what level of study you are, if you are an autistic student, you are welcome to participate!

If you have any questions or need help, please email: autismwellbeing-project@strath.ac.uk
