

## UK Nitride Consortium travel bursaries

The UKNC awards a number of travel grants to help with the costs of presenting papers at conferences or for research-related travels.

### Phil Dawson travel award

The Phil Dawson travel award is a competitive award to provide funds towards attendance at a conference for current PhD students. Unsuccessful applicants for the Phil Dawson bursary will automatically be considered for the standard travel bursary.

Amount: £1,000

To apply, send your curriculum vitae and conference abstract to [Angela.Dyson@newcastle.ac.uk](mailto:Angela.Dyson@newcastle.ac.uk) before 1 October 2024.

### Standard travel bursary

The standard bursaries are aimed at current PhD students to help with the cost of attending a conference.

Amount: £500

To apply, send conference abstract to [Angela.Dyson@newcastle.ac.uk](mailto:Angela.Dyson@newcastle.ac.uk). This call has no closing date.

### Note

Unless in exceptional circumstances, the same student cannot be awarded the same bursary twice.

A student can be awarded an ordinary bursary and a Phil Dawson award, but if the Phil Dawson award is unsuccessful, it will not turn into an ordinary bursary if that student has already been in receipt of one.
