

## **Institute of Physics (IoP) Bursaries for entry in 2009!**

Worth £3000 (BSc) and £4000 (MSci)

A number of awards are available at Strathclyde for entry in 2009

The IoP objective is to attract students who would not otherwise do physics e.g. there is a need for financial assistance, they are considering other subjects, etc

Academic achievement or potential are secondary criteria

Apply directly to the Department, as soon as possible, making the case for an award

Offers made to students following the firm acceptance of a place

It is still necessary to satisfy normal entry requirements

Please Note: Department Scholarships

– Awarded on the basis of quality of entry results only
